2007 Recognitions & Incentives

\$125 per Family

This is the third year of our "Scout Law" council strip incentives. Each family that donates or pledges \$125 to the Family campaign will receive a special Family Friends of Scouting Council Shoulder Strip. This strip is the third in a series of twelve based on the twelve points of the Scout Law, and says "Helpful", making it a valued family collectible for many years to come. This incentive will be given on the spot when you make your contribution to the 2007 Friends of Scouting campaign.

\$80 per Family

Your unit can qualify for the incentives listed below by reaching the unit goal. **The unit goal is calculated by multiplying the registered scout family x \$80. For detailed information please speak your District Executive.**

- All cloth rank advancement badges earned by registered Scouts from the date of unit qualification to March 1, 2008.

Or

- 10% off all Trading Post purchases.
