

48th Jamboree On The Air

"JOTA"

2004 JOTA patch

Sponsored by the Turlock Amateur Radio Club.

- WHO:** All Cubs, Boy Scouts and Venturers, aged 7 to 20, plus their leaders. Participate as a group or individually
- WHAT:** Operate a ham radio and talk to other Scouts around the world
See special radio "maps" and displays. Counselors on hand to assist you with completing related Cub and Scout advancement requirements including Citizenship in the World Merit Badge. Plus, other activities are being planned.
- WHEN:** Saturday, October 15th, 2005, 9:00 AM to 4:00 PM. Plan on spending an hour or more.
- WHERE:** Greater Yosemite Council, Modesto Scout Service Center (Scout Office), 4031 Technology Dr. Modesto, CA 95356
- WHY:** Communicating with scouts around the world is a big step in learning about them. Although the Internet is very widespread, there are many interesting places and people who do not have access to the Internet, but who do have access to a ham radio.
- HOW:** Contact the event chair, Cliff Bailey for information and reservations for your group (reservations guarantee you a specific time on the radio—without reservations it is first come, first served)
- PHONE:** 209-667-3441 day or 634-0185 evening (leave a detailed message with unit number, number of participants, desired half hour time slot, and your phone #)
- EMAIL:** CBailey@csustan.edu
- COST:** **Free!**
- RECOGNITION:** Yes, a participation certificate will be provided!

For a small fee you can order a patch. Forms available at the event.
